Phone Number: _____

Pinewood Pass- Good for 2025 and 2026 Season

\$300 + Tax

(Credit Card fee additional)

Green Fees- Your membership includes unlimited greens fees Monday through Thursday. On Friday, Saturday, and Sundays the pass starts after 12pm. On those three days after 12pm you must purchase a golf cart and ride on those days. No walking allowed. You are more than welcome to play on those weekends mornings but will pay full price.

Carts – Your cart fee is not included in your membership. You can decide to walk, pay for your cart each round you play or prepurchase a cart card for either 18 holes or 9 holes. Again mandatory ride on all Friday, Saturday, and Sundays.

Booking - Pinewood Pass will have a 7-day booking window, when you go online to try to book for a future date it will not allow you to schedule anything outside of that 7-day window. This also goes for calling in the pro shop to book farther out than 7 days.

Leagues/Outings – Leagues/Outings are not included in your pass, if you participate in a league, you will be charged an additional league fee as well as your cart fee.

If you book as a twosome or a single you will be paired up with another group to maintain proper pace of play and accommodate the high demand of tee times. Also on Holiday weekends the Golf Shop will set parameters so be on the lookout for those emails.
